

Replacement Instructions:

1. Follow general instructions on back of pouch. Read instructions through before beginning installation. Have someone to hold and support the hood, hatch, liftgate or trunk while replacing the old lift supports.
2. Remove the old lift support by unscrewing the mounting stud on the vehicle hatch.
3. Install a provided ball stud and washer onto the hatch.
4. Remove the old lift support from the vehicle body by unbolting the mounting bracket.
5. Install a provided ball stud and washer in the hole farthest from the hatch hinges.
6. Install the new lift support by pressing the plastic end fittings onto a ball stud one side at a time.
7. Check that all connections are tight and secure.
