

STABILUS

556673

Replacement Instructions:

1. Follow general instructions on back of pouch. Read instructions through before beginning installation. Have someone to hold and support the hood, hatch, liftgate or trunk while replacing the old lift supports.
2. Remove ball studs and old lift support from the vehicle body and hatch using an open-end wrench.
3. Install new ball studs into vehicle body and hatch.
4. Install the new lift support on vehicle in the same direction as the old lift support.
5. Check that all connections are tight and secure.
