782768

Replacement Instructions

1. Follow general instructions on back of pouch. Read instructions through before beginning installation. Have someone to hold and support the hood, hatch, liftgate or trunk while replacing the old lift supports.
2. Remove ball stud from the vehicle body using an open-end wrench.
3. install new ball stud and washer into vehicle body.
4. Remove mounting bracket and old lift support from hatch by unbolting. Retain the original mounting bolts.
5. Attach the eyelet end of the gas spring to the bracket using the provided mounting stud, nylon washers, and e-clip.
6. Using the original mounting bolts, install the new bracket assembly onto the hatch.
7. Install the rod end of the lift support to the vehicle body by pressing the plastic end fitting onto ball stud.
8. Check that all connections are tight and secure.
